

Kdou Business

- **KDOU BUSINESS CREATED IN 2018**

brings the world to French restaurants and groceries. Specialising in the import and export of premium grocery products, they connect the French market with the finest goods from across the globe. Their diverse selection includes authentic tofu from Japan, rich maple syrup from Canada, delicious biscuits from England, fresh pasta from Italy, and much more.

- **OUR MISSION**

is to provide business-to-business (B2B) clients—primarily restaurants, food service providers, and specialty retailers—with high-quality, unique grocery items that celebrate the flavors and traditions of different cultures. We partner with trusted suppliers who share the commitment to excellence

- **OUR TEAM**

With a dedicated team of 4 employees, we leverage our expertise and passion for food to deliver exceptional service and products. Our annual turnover exceeds €1 million, reflecting the trust and satisfaction of our French clients.

- **KDOU OPERATES WITH A STRAIGHTFORWARD APPROACH**

We offer a simple, user-friendly website where clients can easily access the comprehensive price list. While we do not have an e-commerce platform, our efficient logistics network ensures timely deliveries, and our responsive customer service team is always ready to assist with any inquiries or orders.

- **THE FUTURE**

Kdou Business is actively exploring various avenues for growth and development. Our potential strategies include expanding our sales to European markets, transitioning into the business-to-consumer (B2C) segment to reach individual customers, broadening our product range to include even more diverse and unique items, and implementing loyalty programs to reward and retain our valued clients.
